Cerm is a global solution provider in Business Management and Automation Software for both traditional and digital narrow web label printers. Cerm offers a complete solution for this nichemarket.

Cerm Business Management Software for Narrow Web Printers

Duplicating machines were the predecessors of modern document-reproduction technology. They have now been replaced by digital duplicators, scanners, laser printers and photocopiers, but for many years they were the primary means of reproducing documents for limited-run distribution. Like the typewriter, these machines were products of the second phase of the industrial revolution which started ...
