Joseph Chase is the author of 'Java Software Structures: Designing and Using Data Structures (4th Edition)', published 2013 under ISBN 9780133250121 and ISBN 0133250121.

Java Software Structures: Designing and Using Data

DESIGN METHODOLOGIES - 2 A more methodical approach to software design is proposed by structured methods which are sets of notations and guidelines for software design. Two major rules of this method Programs were to be broken into functions and subroutines There was only a single entry point and a single exit point for any function or routine.
