The Seven Challenges Communication Skills Workbook

As we sober up from the tech-infused party of the past 20 years, we should think about what should come first in our schools: shaping not just our students'™ ability to persevere and solve difficult problems but also their character'™their empathic connection with others, their capacity to see our shared humanity, and their ability to problem solve with others for a common good.

Putting Dialogue over Devices Shapes Mind and Character

Philosophy of mind is a branch of philosophy that studies the nature of the mind. The mind'™body problem is a paradigm issue in philosophy of mind, although other issues are addressed, such as the hard problem of consciousness, and the nature of particular mental states. Aspects of the mind that are studied include mental events, mental functions, mental properties, consciousness, the ontology ...
