Self-harm is not typically suicidal behaviour, although there is the possibility that a self-inflicted injury may result in life-threatening damage. Although the person may not recognise the connection, self-harm often becomes a response to profound and overwhelming emotional pain that cannot be resolved in a more functional way.

I have used red light therapy before and have had good results, but this device seems ineffective. I've used it consistently for about 25-30 min 4-5 times a week for over 10 weeks and just don't see much improvement.

A beard is the collection of hair that grows on the chin and cheeks of humans and some non-human animals. In humans, usually only pubescent or adult males are able to grow beards. From an evolutionary viewpoint the beard is a part of the broader category of androgenic hair. It is a vestigial trait from a time when humans had hair on their face and entire body like the hair on gorillas.

Good stuff Avinash. Dashboard design is a pet subject of mine and I simply don't think we the vendors (and that goes for basic Web Analytics- but as well for more mature Business Intelligence vendors) has been able to truly create an environment where one can create highly communicative and by that highly effective Dashboards.
