The word "love" can have a variety of related but distinct meanings in different contexts. Many other languages use multiple words to express some of the different concepts that in English are denoted as "love"; one example is the plurality of Greek words for "love" which includes agape and eros. Cultural differences in conceptualizing love thus doubly impede the establishment of a universal ...

Gender is the range of characteristics pertaining to, and differentiating between, masculinity and femininity. Depending on the context, these characteristics may include biological sex (i.e., the state of being

male, female, or an intersex variation), sex-based social structures (i.e., gender roles), or gender identity. Traditionally, people who identify as men or women or use masculine or ...

You're right about the sitting together! We have a choir once a month at our all age service, and we do try the other things too. The frustrating thing is that when we do introduce a new hymn (and we try to make sure that they're always good ones) and use it a few times, it then becomes a familiar hymn and everyone likes it.
