Extraterrestrial real estate refers to claims of land ownership on other planets or natural satellites or parts of space by certain organizations, individuals, and scam artists. Such claims are not recognized by any authority, and have no legal standing. Nevertheless, some private individuals and organizations have claimed ownership of celestial bodies, such as the Moon, and are actively ...

A real estate broker or real estate salesperson (often called a real estate agent) is a person who acts as an intermediary between sellers and buyers of real estate/real property. Their mission is to complete a transaction between the buyer and seller. In the United States, the relationship was originally established by reference to the English common law of agency, with the broker having a ...
