The Center for Science and Culture (CSC), formerly known as the Center for the Renewal of Science and Culture (CRSC), is part of the Discovery Institute (DI), a conservative Christian think tank in the United States.The CSC lobbies for the inclusion of creationism in the form of intelligent design (ID) in public school science curricula as an explanation for the origins of life and the ...

The decline of newspapers has been widely debated, as the industry has faced slumping ad sales, the loss of much classified advertising and precipitous drops in circulation. In recent years the number of newspapers slated for closure, bankruptcy or severe cutbacks has risen, especially in the United States, where the industry has shed a fifth of its journalists since 2001.

The Lexile Analyzer uses an algorithm to evaluate the reading demand “ or text complexity “ of books, articles and other materials. The Lexile Analyzer measures the complexity of the text by breaking down the entire piece and studying its characteristics, such as sentence length and word frequency, which represent the syntactic and semantic challenges that the text presents to a reader.
